Mini-Dial Durometer

Size: 1.675" x 5.6"H

Net Weight: 3.85 oz.

Approximate Size

MODEL H-1000

The Rex H-1000 Mini-Dial Durometer is both compact and easy to use. Its small dial face and included leather clip-on carrying case make it easy for an inspector to carry the gauge for work around the shop, or out in the field. The H-1000 durometer holds the maximum reading, until reset by pressing the button at the top of the gauge. The max-hold feature and small dial size make the H-1000 a good choice for hard to reach places, or for out of sight testing.

Features:

- Small face (1.675" Dia.)
- Easily fits into your pocket or clipped on belt
- Increments of 1 from 0-100
- One year warranty
- Furnished with a leather carrying case
- Conforms to ASTM D-2240 and NIST Traceable

Available in Types A, D, B, C, DO, O, E, R
